Thank you for your efforts to bring art into public spaces!

2. **ORGANIZATION OF RFP DOCUMENT**

This RFP is organized into three sections:

Any changes in existing language should be identified in your "ACCEPTANCE OF CONDITIONS" submittal tab - d.

No oral interpretation will be made to any Offeror as to the meaning of this solicitation or any part thereof. Every request for such interpretation shall be made in writing to the Buyer. Oral explanations or instructions given before the award of the contract will not be binding. Every interpretation made to an offeror will be in the form of an addendum to this solicitation, but it shall be the offeror's responsibility to make inquiry as to the addenda issued. All such addenda shall become part of the contract and all offerors shall acknowledge receipt of the addenda. Failure to acknowledge receipt of the addenda may be cause for rejection of the proposal as non-responsive.

5. **PROPOSAL FORMS**

Offerors will submit proposals on the schedules provided herein. Offerors will also submit the cover sheet to this solicitation with their proposal and other documents as provided herein. Forms submitted must be complete, legible, and manually signed.

The School District, however, reserves the right to reject any and all proposals, to waive any informality or irregularity in proposals received whenever such rejection or waiver is in the School District's interest, or to award to multiple offerors.
- b. The School District reserves the right to accept or reject any or all items of any proposal, where such acceptance or rejection is appropriate and does not affect the basic proposal.
- c. The School District reserves the right to reject any or all proposals, to waive deviations from the specifications and to waive informalities in the proposals received whenever such rejection or waiver is considered to be in the best interest of the School District.

**1. BACKGROUND**

The State of Alaska Department of Education & Early Development (DEED) has appropriated funds through Grant GR-20-003, which includes an allotment specifically for the purchase of ART. The school see to further **enhance the outdoor space adjacent to their intermediate playground, with an artful apparatus.**

**2. SCOPE OF WORK**

**About the School:**

Barnette Magnet school is a Public School in Fairbanks Alaska, offering innovative courses and programs in order to attract students from a broad urban area. Home of the “Blazers”, Barnette serves approximately 400 students in kindergarten through 8<sup>th</sup> grade. Barnette’s “magnet”, or “draw”, is a combination of small exploration classes, a community-based Friday in Fairbanks program, and quarterly all-school Exhibit nights. The student’s day at Barnette is made up of an uninterrupted morning core of reading, writing and math followed by an afternoon of student chosen explorations. Exploration classes fall into seven strands that include sciences, social studies, fine arts, movement, languages and cultures, technology, and literature. Explorations change each quarter, allowing students to choose twelve classes a year. Students love their exploration classes and look forward to the quarterly exhibit night where everyone is able to share their projects with parents, share some food, and possibly perform in the much-anticipated stage show. Other elements of the school that make it attractive to families include a creative, caring staff, extensive opportunities for parent involvement, strong community involvement, looping core classrooms, after school program, and a host of other enrichment opportunities.

- ❖ Barnette School Mascot: Blazers
- ❖ Barnette School Colors: Purple & Silver
- ❖ Barnette School Motto: Blazers choose respect, responsibility, and kindness. Barnette’s School Vision Statement: A community where we imagine, explore, create, reflect, and celebrate learning.
- ❖ Barnette’s School Mission statement: In addition to an uninterrupted core curricular block, we empower and engage learners through a choice of interactive explorations designed to develop and motivate the whole child, while facilitating a positive connection to the local community.
- ❖ This innovative school brings learning to life through explorations in the arts, technology, languages, and movement as students engage in “hands-on, minds-on” learning. The integration of the arts assures the learning experience is stimulating and well rounded, while providing learning opportunities that develop leadership and a sense of community.
- ❖ Academics are very important to a magnet school. For this reason, we have ensured a three-hour core block of rigorous curriculum, free from pull-outs. The magic unfolds as the academics are integrated into a variety of explorations that will develop and motivate the whole child. This safe and supportive environment seeks to provide ordinary children with extraordinary experiences!
- ❖ The magnet seeks to empower children as designers and inventors, enabling them to learn about the world through experimentation and exploration.

## **About the Intermediate Playground apparatus:**

**BUDGET \$48,900.00**

There is a 40ft. x 40ft. square, grassy area located adjacent to the school's Intermediate Playground; see attached photo, labeled 'Site Location and Dimensions'.

The Barnette Magnet School intermediate playground is brimming with activity at school recess times; an artful piece could include an apparatus that can be played with, or on, or sat upon for leisurely enjoyment or quiet conversation. Similarly, "Buddy" or "Friendship" benches, have offered an inspired and unique purpose when created by an artist and situated in well traveled areas of schools.

Other themes the school exemplifies, which could be reflected in the art work are:

- Interactive art that encourages movement and represents our unique hands-on project based learning.
- Incorporating cross curricular learning, such as 'Art meets Science', or 'Art meets Social Studies'.
- A "teaching" piece; something teachers might bring students to study and learn from as part of their lesson.
- Embodiment of the idea that there are multiple types of intelligence. Art should speak to the fact that Barnette children can "shine" outside of the typical academic areas.
- Welcoming, playful, kinetic art.
- Stimulation of the senses, without sensory "overload"; calming features.
- Color and reflective light.
- Enhancement of the surroundings.

### **Desired attributes:**

- Durability and Stability of the finished artwork.
- Resistance to vandalism.
- A free standing apparatus or sculpture that necessitates minimal installation work.

### **Special considerations that must be taken into account:**

- Student traffic, safety
- Vandalism resistance
- Weather resistance
- Durability
- Permanence
- Age appropriateness
- Long term maintenance requirements
- Wood mediums should be avoided per District design standards; if wood is utilized in the proposed design, the proposal must include wear mitigation measures in order to be considered.
- Landscaping; if the area (underneath) the proposed apparatus cannot be reached by grass mowing equipment, the proposal must also include the installation of a foundation composed of gravel or concrete.

### **3. CONTRACTOR'S (ARTIST'S) RESPONSIBILITIES**

Contractor/Artist(s) shall be responsible for furnishing all goods, materials, supplies, tools, equipment, and labor needed to complete the installation of the artwork. All related costs, including planning, preparation, travel, insurance, shall be borne by the Contractor. Artist(s) shall notify the Project Manager when access to the site is needed, and when electricity, and plumbing may be in use.

### **4. DISTRICT'S RESPONSIBILITIES**

Artists whose proposals are selected by the committee will be initially notified of their status as early as possible upon opening of proposals. As required, final ratification of the committee's selection will be approved by the school board before the contract can be awarded, (target date for award notification: 9/27/24). Upon award, the District shall assign a Project Manager to act as the primary contact for the Artist.
